## OUR SPECIALIZATION

- ▶ Military Solutions
- ▶ Humanitarian Solutions
- ▶ After Crisis Solutions
- ▶ Accommodation Solutions
- ▶ Healthcare Solutions
- ▶ Education Solutions
- ▶ Warehouse Solutions
- ▶ Logistics

Founded in 1997 and part of the Albaddad Group, Albaddad Solutions delivers fully integrated, turnkey infrastructure solutions worldwide, specializing in military camps, humanitarian projects, and temporary settlements. The company designs, builds, and operates complete camp environments including accommodation, power, HVAC, catering, and logistics serving international armed forces and relief organizations in full compliance with global military, engineering, and humanitarian standards.
